

New Product

Vela-L Ultra compact Extend woofer

- **V Series Family Flagship**
- **Fixed installation - Touring**
- **Deployment in vertical lines**
- **Vela Extend woofer**

The Vela-L features one direct radiating 15" speaker in a bass reflex tuned enclosure. It provides impact, sensitivity, low thermal compression and reduced distortion. The vent features a progressive profile allowing laminar airflow and reduced turbulence noise even at the highest operating levels. These combined properties contribute to the sonic qualities of the Vela-L in terms of precision and musicality. The cabinet is made of first grade Baltic birch plywood to ensure maximum acoustical and mechanical integrity.

Vela-L subwoofers can be flown or ground-stacked as a standalone array or within a vertical Vela-L / Vela array. A pole-mount socket is integrated into the cabinet, for the mounting of one M and TC enclosure or two Vela enclosures.

Vela-L Technical Specification

Type	Ultra compact Extend woofer
Frequency Response(Preset)	36Hz-300Hz(-10dB)
Horizontal	360°
Angle Increments(Vela)	0° 2° 4° 6°
Drivers	LF:1×15" Neodymium
Handling Power (AES)	LF:1200W
Maximum Peak SPL	134dB/1m
Nominal Impedance	LF:8Ω
Connections	2 x NL4 SpeakOn
Pin Connections	NL4=LF:+1-1
Height Front	450mm
Height Back	450mm
Width	500mm
Depth	600mm
Weight	33kg / 72.7lb
Handle	2 ergonomic handles
Pole socket	1 x 35mm Pole socket
Fastener	3 side fastener
Material	Baltic Birch Plywood
Finish	Dark Grey
Front	Polyester powder-coated steel grill
Rigging	Steel
Protection rating	IP45
